MEMORIAL HEALTH SYSTEM

Make a difference in someone’s life; volunteer at Memorial Health System!

Memorial Health System’s Youth Volunteer Summer Program provides high school students with the opportunity to give back to their local community, while gaining leadership, communication skills, and experience in the healthcare environment.

June 10 — August 7, 2020

Benefits include:

- Making a positive difference
- Developing new friendships
- Making a career decision
- Giving back to your community
- Gaining healthcare experience
- Building leadership skills
- Learning new skills
- Building your resume of community service and scholarship

Program requirements:
- Must be 16 – 18 years of age.
- Agree to a minimum of 50 volunteer hours to be completed by Friday, August 7, 2020.
- Attend volunteer orientation, six Lunch & Learn program sessions, closing ceremony, and exit interview session.
- Complete the annual education online training (HIPAA and hospital safety training).

Deadline for applications: Friday, May 29, 2020

Learn more and apply to our Youth Volunteer Summer Program at mhsystem.org/volunteering.

Scholarships:
Starting this year, we are excited to award the Thomas and Ella Wong Healthcare Merit Scholarship.

Scholarship details:
- $1,000 to two outstanding volunteers (junior/senior in high school)
- Must meet all Youth Volunteer Summer Program requirements.
- Submit completed application by Monday, July 20, 2020.

If you have any questions, please contact Cindy Hall, volunteer service coordinator at (740) 374-1778.
