

ATHLETE FASTTRACK

SPORTS MEDICINE PROGRAM

We are proud to offer the Marietta Memorial and First Settlement Orthopaedics Athlete FastTrack Sports Medicine Program. From field side treatment by our Athletic Trainers to consultations with our Orthopaedic office, Physical Therapists, and Sports Medicine department, we provide complete care for athletes. Our robust sports medicine program is dedicated to ensuring athletes return quickly and safely to play, addressing the priorities of parents, athletes, and coaches alike. With our skilled team of expert providers, we streamline services to facilitate recovery from any sports injury.

Key Features of the Program:

- Dedicated phone line for appointments
- High School athletic injuries are seen within 24-hours, Monday – Friday
- Priority of diagnostic testing
- Immediate follow-up scheduling upon receiving test results
- Saturday walk-in clinic during football season

To schedule an appointment or to learn more, call or text us at (740) 350-6024.
